

CDM Regulations 2015 Awareness Course

Aim

To provide a basic working knowledge of the CDM Regulations 2015, so candidates can understand the application of the new regulations and apply it to their work role.

The course is suitable for organisations and individuals involved in all types of construction work. It is designed to give an overview of the Regulations and the duty holder roles and legal duties under current legislation.

Course structure

Module one

- Why is H&S so important
- Aim of CDM²⁰¹⁵
